Shopping

Step back in time, roll up your sleeves and make a little history of your own!

Kings Landing is one of **Canada's biggest and best historical experiences** that takes aim at how history is told and pushes the boundaries of open-air museums.

Nestled on over 300 acres, Kings Landing offers contemporary museum exhibits, live theatre and music, unique dining, and a bustling 1st person interpreted village where your guests can step back in time and meet over 100 costumed characters demonstrating the day-to-day life of 19th century Canadians.

The experience is best enjoyed when guests roll up their sleeves and immerse themselves in the story; from baking bread on an open hearth to helping the blacksmith forge his wares—there is no shortage of memorable experiences.
