Outdoor Venues

Kings Landing has over 300 acres of space to explore, but certain venues are more appropriate for wedding ceremonies. The Lint Farm, the King's Head Inn garden, and the Ingraham Garden are great options. Other outdoor areas that may be of interest include the apple orchards by the Hagerman or Heustis houses and the fields by the Morehouse Farm or the Riverside Presbyterian Church. These options can be discussed further with us.

Booking fees for all outdoor locations:

- with reception and ceremony: \$200.00 (plus cost of meals)
- ceremony only: \$1,200.00

Lint Farm

The Lint Farm offers the perfect setup for smaller weddings of up to 50 guests. It has a stunning backdrop with trees, barns, the Riverside Presbyterian Church and a pasture. One of our four-legged friends may just make an appearance. The Lint Farm and barn are very close to the King's Head Inn, so modern conveniences are nearby.

King's Head Inn Garden

Located beside the King's Head Inn Restaurant, this area is perfect for larger outdoor weddings as it can seat approximately 60 guests with access to the patio. Guests will not have to travel far to get to the reception area, and modern conveniences are just steps away.

Ingraham Garden

Located on the banks of the Saint John River, the area behind the Ingraham Garden provides a secluded, picturesque outdoor venue for your wedding ceremony. Step through the hedge into a colourful English style garden to capture beautiful wedding photographs. A wagon ride for guests and the couple is recommended.

Receptions

Whether you are thanking those involved in your wedding during your rehearsal dinner or celebrating on your wedding day, a reception at the King's Head Inn is a special occasion. We will work with you to develop the best option that suits your celebration. Bar service is available for a fee. We kindly request that you do not bring food, liquor or catering from external sources with the exception of a wedding cake or wedding dessert.

General Information & Guidelines

In addition to the terms and conditions on contracts between clients and Kings Landing, the following rules and regulations apply when hosting any part of your wedding at Kings Landing. We appreciate our guests cooperation to ensure everyone has a fantastic wedding experience.

Set up: The facility rental fee includes chairs and tables set up according to your selected floor plan. Floor plans must be finalized at least one week prior to your booking. Please note that you are not permitted to begin your personal set up prior to the agreed-upon booking time. Other fees may apply if additional setup is required by staff.

Decorations: The guest is primarily responsible for decorating their reception and/or ceremony area. Kings Landing may be able to provide minimal decorations (i.e.: ribbons on chairs, table settings), but all other decorations are the responsibility of the guest. To prevent damage to any historical objects and to respect the natural environment at Kings Landing, please follow these requests regarding decorations:

- Tape: Please do not use any tape for decorations.
- Confetti: To respect the natural environment of the outdoor museum, only birdseed is permitted within the Village grounds or parking lots.
- Candles: Kings Landing can provide smokeless, dripless candles and holders for ceremonial purposes only. Guests are welcome to bring their own candleholders. They must be contained in a fireproof container and fully extinguished after use.

- Historical objects: Churches, buildings and historic homes contain historical objects; as such, the moving of these objects must be approved by and done by Village staff.
- Smaller decorations: Vases, sand containers or similar decorations must be used in a way so as to protect all surfaces from any damage.
- Balloons: For allergy and environmental related reasons, please do not use latex balloons.
- Larger decorations: We require that all arbour or other structures not compromise Kings Landing's historical presentation or guest experience.
- Modern items: To maintain historical accuracy, modern objects must be kept out of view of the general public while on site during operating hours (10 am - 5 pm).
- Responsibility: Kings Landing is not responsible for any items left behind.

Clean up: All personal equipment, decorations, dishes, etc., must be removed following your rental. Kings Landing will remove the decorations for an additional fee, and cannot be held responsible for any damage or loss.

Music: Guests will be required to supply their own music or musician(s). Please note that a live band or a DJ setup may affect the floorplan and seating capacity at the King's Head Inn. Kings Landing works with a number of musicians for special events throughout the year and can provide a list of local musicians who are familiar with the living history museum upon request.

Capacity: Fire Department regulations stating the maximum occupancy for each facility are posted. The client is responsible for ensuring this regulation is always enforced.

Liquor permit: The King's Head Inn and its garden are licensed. Ask us about additional licensed areas if interested in hosting part of your wedding elsewhere at Kings Landing. Please do not bring any liquor of your own to your ceremony or reception.

Smoking: Smoking is only permitted in parking lots at Kings Landing.

Animals & environment: Dedicated farmers, gardeners, and labourers work diligently to maintain the animals and natural environment at Kings Landing. Please do not feed the animals or enter their pastures or enclosures. While they are familiar with people, animals are unpredictable by nature; as such, we request all guests respect our farm animals and any other wildlife they may encounter. Likewise, guests are expected to respect the natural environment at Kings Landing including gardens, lawns, trees, plants, and roadways.

Parking: No vehicles are permitted on the museum grounds. Please do not park on grassy areas. The main parking lot by the Welcome Centre is open from 10 am - 5 pm from Wednesday to Sunday from June to October.
