

Welcome Centre Virtual Visit

Introduction

We hope you enjoy your virtual visit around the Kings Landing Welcome Centre! Thank you for visiting virtually.

This tour will teach you Kings Landing's history through the anniversary exhibit "50 Years of Building Memories, 1974-2024." The exhibit is a timeline of people, places and events that will take you back to the building of the Mactaquac Dam and explain how Kings Landing has brought history to life over the past 50 years.

 Click the blue and white circles to learn more about points of interest and see close-up images. Some points have videos, too!

Please note: This is the exhibit as captured July 6, 2024. This exhibit will also be up during the 2025 season. Certain displays will change, so it's possible that the Welcome Centre will look different the next time you visit Kings Landing.

Reflection

Here are some questions to ponder and discuss as you click through this virtual tour of the Welcome Centre.

1. How is the place you live different, or the same, compared to the houses found at Kings Landing?
2. How is your life different, or the same, compared to that of a child living on a farm in the 1800s and 1900s?
3. Do you see any items or artefacts on display that are like something you use at home or at school?
4. What job would you have liked to do if you helped in the creation of Kings Landing?
5. Why is a place like Kings Landing important?

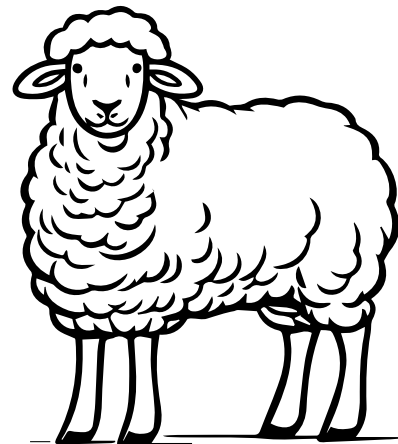

Test Your Knowledge

[Click here to complete the Virtual Tour Quiz.](#) All answers can be found in the tour!
